

We have a wide variety of programs to help you manage your purchases.

1. Contract- Locked in Price

Contract Prices will be available April 15th – September 15th. You must call or stop in and sign up during this time period.

2. Budget – Equal payments each month

Based on your usage from the previous year, we will estimate 12 equal payments. This will need to be started in June. The Budget Plan works great combined with a payroll deduction.

3. Budget with Contract

Combining the two above plan gives you the security of knowing what price you will be paying, combined with the comfort of 12 easy payments.

4. Regular Scheduled Delivery

We keep track of your propane usage for you and fill your tank as needed. You will receive a special discount and remain worry – free throughout the year. you must have established credit with our company to take advantage of this program. If you do not have established credit you have the option of combining RSD with the budget plan. **We will continue to service your tank as long as budget payments are current.** All tanks smaller than 500 gallons and

any

lake cabins must be on Regular Scheduled Delivery Seasonable. The

purpose

of RSD is to have the truck driver fill your tank when **he is in your area.** We must have you stop in or we will mail out our agreement on Regular Scheduled Delivery.

Hopefully one or more of these plans will work for you! Stop in or give us a call if you have any questions, or if you would like to sign up for one of the above programs.
